Dayton, Ohio (June 12, 2019) – International rock sensations, The Breeders, will be playing a FREE concert at the Levitt Pavilion Dayton on September 20 as part of the 2019 Eichelberger Concert Season. The date was previously listed as “to be announced” on season calendars.

Formed in 1989 as a side-project for Dayton original, Kim Deal, while her other band, Pixies, were on a hiatus, The Breeders quickly became wildly popular. With 1990’s *Pod* and 1993’s *Last Splash*, the Breeders became icons of the era’s alternative rock explosion and remain fan favorites to this day.

“We could not be more excited to have The Breeders on the Levitt Dayton stage this season,” says Lisa Wagner, Executive Director for Levitt Pavilion Dayton. “In our 50 free concerts that are part of the 2019 Eichelberger Concert Season, we showcase local, regional, national and international talent on our stage. It is especially exciting to have a band that started locally and is having such great success on tour back in their home town.”

Media is welcome at all concerts at the Levitt Pavilion Dayton. Please contact Madeline Hart at madeline@levittdayton.org if you would like to set up interviews with staff or board members.
